

SAFETY DATA SHEET

Version: 01	Date of first issue: 04/05/2010	Revision date:	File name: MOSQUITAN Cerotto MSDS	Page: 1/5
--------------------	------------------------------------	----------------	--------------------------------------	---------------------

1. Identification of the substance/preparation and company

Description:	MOSQUITAN CEROTTO: Repellent patches diffusors of Natural Aromas and Fragrances. LARUS Pharma srl – Registered offices : via Canova, 35 Milano – Italy Phone +3902 33105943 - SIS CODE: 2310 Facilities : Via Civesio 6 – 20097 S. Donato Mil.se
Identification of the manufacturer/supplier:	

2. Composition/information on ingredients

Toxicological risk (bibliographical safety assessment):	Information reported in bibliographical safety assessment carried out by analyzing the toxicological profile of product raw materials according to EEC directive no. 76/768 and its following amendments (Record no. 0501N02D1)
FORMULATION:	ACTIVE INGREDIENT: 2-undecanone - Cas n. 112-12-9 / EINACS 203-937-5 – notified active ingredient in the frame of the review program as defined in art. 16(2) of the EC Directive 98/8/EC concerning biocidal products: 25,20% Other components (excipients) of the microcapsules: Parfum: CAS n. 8000-29-1/EINECS 294-954-1: 41,16% Parfum: CAS n. 223748-96-7/EINECS 283-406-2: 17,64% Gelatin: CAS 9000-70-8/EINECS 232-554-6 : 12% Syloid : CAS 7631-86-9 : 2% Aqua: CAS 7732-18-5/EINECS 231-791-2: 2%

3. Hazards identification (particular information concerning the specific risk for human and environment).

Information on the label	Ingredients list
	Instruction of use
	Compulsory phrasings to be printed in the label
Information by the manufacturer	Follow the instructions of use written on the packaging. Avoid any use not reported in the instructions. Keep out of reach of children

SAFETY DATA SHEET

According to Regulation (EC) N. 1907/2006, Article 31

Version: 01	Date of first issue: 04/05/2010	Revision date:	File name: MOSQUITAN Cerotto MSDS	Page: 2/5
--------------------	------------------------------------	----------------	--------------------------------------	---------------------

4. Accidental contact or improper use measures

General information:	Show this safety data sheet to the doctor in attendance.
Inhalation:	Harmless
Skin contact:	Harmless
Eye contact:	Wash immediately with plenty of water. If necessary get medical attention.
Ingestion:	Rinse out mouth with water. Do not induce vomiting.. Get immediate medical attention in case of symptoms of intestinal stoppage

5. Fire-fighting measures

Suitable extinguishing media:	Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.
Extinguishing media that must not be used for safety reasons:	None.

6. Accidental release measures

Personal precautions:	Not to ingest
Enviromental precautions:	None (dispose as standard municipal waste)
Spillages:	None

7. Handling and storage

Handling:	None
Storage:	Storage area should be fresh and dry. Avoid temperatures over 40 °C.

SAFETY DATA SHEET

According to Regulation (EC) N. 1907/2006, Article 31

Version: 01	Date of first issue: 04/05/2010	Revision date:	File name: MOSQUITAN Cerotto MSDS	Page: 3/5
--------------------	------------------------------------	----------------	--------------------------------------	---------------------

8. Exposure controls/personal protection

Personal protective equipment:	Hand prot.:	Not necessary.		
	Eye prot.:	Not necessary.		
	General prot. Measures:	Not necessary.		
Ingredients with occupational exposure limits to be monitored:	NAME	CAS no.	TLV:TWA	UNIT
	None			

9. Physical and chemical properties

Physical form:	Adhesive patch
Colour:	different
Odour:	characteristic
Boiling point:	none
Flash point:	No flammable
Vapour pressure:	Not available
Density at 20°C:	n.a.
Solubility in water at 20°C:	No
pH:	n.a.
Viscosity at 20°C:	n.a.

10. Stability and reactivity

Hazardous reactions:	None; this compound is stable at normal conditions.
----------------------	---

SAFETY DATA SHEET

According to Regulation (EC) N. 1907/2006, Article 31

Version: 01	Date of first issue: 04/05/2010	Revision date:	File name: MOSQUITAN Cerotto MSDS	Page: 4/5
--------------------	------------------------------------	----------------	--------------------------------------	---------------------

11. Toxicological information

Acute toxicity:	Information reported in bibliographical safety assessment on active ingredient 2-undecanone.
Local effects:	Not irritating.
Specific effects:	No data available.
Further information:	None.

12. Ecological information

This compound is not soluble.
Product is not expected to bioaccumulate.

13. Advice on disposal

Disposal of product:	Dispose as normal Municipal waste
Disposal of contaminated packaging:	Dispose as normal Municipal waste
The disposal of cosmetic products is in compliance with Law Decree no. 22/97 and its following amendments.	

14. Transport information

NATIONAL/INTERNATIONAL ROAD	Not classified as dangerous in the meaning of transport regulations.
NATIONAL/INTERNATIONAL RAIL	
NATIONAL/INTERNATIONAL SEA	
NATIONAL/INTERNATIONAL AIR T.	

SAFETY DATA SHEET

According to Regulation (EC) N. 1907/2006, Article 31

Version: 01	Date of first issue: 04/05/2010	Revision date:	File name: MOSQUITAN Cerotto MSDS	Page: 5/5
--------------------	------------------------------------	----------------	--------------------------------------	---------------------

15. Regulatory information

National regulations:	EEC directive no. 76/768 and its following amendments (Directive 2003/15/EC) R & S Phrases: NONE
-----------------------	---

16. Other information

None
